

YOU'RE INVITED

**It Takes a Workforce:
Improving Global FP/RH
and HIV/AIDS Services**

**The Capacity Project
End-of-Project Event and Expo**

**Wednesday, September 23, 2009
World Bank, Washington, DC**

**Space is limited. RSVP to Nola Bower-Smith,
nbower-smith@capacityproject.org.**

An innovative global initiative funded by the United States Agency for International Development (USAID) and led by IntraHealth International, the Capacity Project helped developing countries strengthen human resources for health to respond to the challenges of implementing and sustaining quality family planning, reproductive health, HIV/AIDS and other health services.
